

Spring in Whitewebbs

Spring is here, there is white blossom on the Blackthorn, the horse chestnuts are coming into leaf as are the hornbeams (snakey bark). Look for catkins on some of the trees.

Tick the ones you find

Clues

1. The two on the left are on the golf course by a wooded bank of the old course of the New River but can be found in other places
2. On the right— in the wooded edge of the golf course between the 12th and 13th hole.
3. You will find this on the floor of the woodland
4. Bottom right - in the meadow
