

TO DARE IS TO DO

27 September 2023

Mr Sean Wilkinson
Friends of Whitewebbs Park

Sent via email

Dear Mr Wilkinson

As you are aware, Tottenham Hotspur Football Club has been selected by Enfield Council, after a thorough public procurement process, as the preferred bidder to regenerate the former Whitewebbs Golf Course. Our proposals met the Council's objectives of securing this unique site's future with a green use and also responded to local aspirations for enhanced access to nature and improved public facilities.

The site presents a once in a generation opportunity to create a regionally significant asset for Enfield and we very much welcome the opportunity to meet this challenge. As a leading professional sports club and adjoining landowner, we offer a unique combination of a passion for sport, leisure, education and inclusivity; an understanding of the local area; a track record of delivering schemes to the highest standards and a demonstrable respect for conservation and the environment.

Now that an agreement for lease has been signed with Enfield Council, we are starting the public consultation on our emerging designs. This will include a series of public exhibitions and a webinar, which will be taking place in the weeks commencing 30th October and 6th November. We shall be publicising them widely in the coming weeks and sending a flyer to all residents and businesses in the Whitewebbs ward area, as well as advertising in the local newspaper.

Before these events, **we would welcome the opportunity to discuss our proposals and consult with you at a time of your convenience.** We can meet in-person or online, so please contact us on communityrelations@tottenhamhotspur.com or call 0800 092 0422 to let us know when you are available.

We look forward to meeting with you in the next few weeks and if you have any questions in the meantime please don't hesitate to get in touch.

Yours sincerely,

Donna-Maria Cullen
Executive Director, Tottenham Hotspur Football Club
