

Whitewebbs Park Survey of users- Friends of Whitewebbs Park

The more survey replies we get, the more powerful our case. Please ask each member of the household to complete a form. Pass on copies to neighbours and friends.

The purpose of this survey is to find out how the park is used, how you would like it managed, and how you think it should be owned.

We have tried to keep the survey as short as possible. Evidence from this survey will support the campaign for the future of the park
